2. COMPANY'S TANGIBLE ASSETS

2.1 Location and characteristics of the main production capacities

The fixed assets of the company at 30.06.2019 at fair value, amounted to 107,640,973 lei, decreasing by 1.4 million lei compared to the beginning of the year. This decrease is determined by the adjustment of the value of the fund units Fii Optim invest (positive adjustment with 381 thousand lei, being registered in the profit and loss account according to IFRS 9), the derecognition of the concessioned land (-719 thousand

lei) following the repeal of IAS 17, the recognition of the assets related to the right to use the assets taken into concession (leasing) at the level of the debt from the application of IFRS 16 C5b and C7 starting with January 1, 2019 (1.24 million lei), at the same time recording the depreciation related to the fixed assets on the first semester in the amount of 2.33 million lei. The buildings and lands are presented at fair value, the last reassessment being done on 31.12.2018, by Elf Expert SRL, independent evaluator, member of ANEVAR. The buildings in the company's patrimony are presented at revalued value, less accumulated depreciation, in accordance with the alternative accounting treatment accepted by Order 2844/2016. The reassessment report was prepared in order to establish all the real estate properties of SIF Hoteluri SA, for recording the fair value in accounting. The fair value represents the amount for which an asset could be exchanged or a debt settled, voluntarily, between two interested parties, who are aware of the cause, in a transaction carried out under objective conditions, with the objective determined price (IAS16). The revalued amount represents the fair value of an asset at the revaluation date, less any depreciation accumulated previously and any accumulated impairment losses (IAS 16).

The other tangible assets are valued at historical cost, less accumulated depreciation.

Given the transition to the preparation of financial statements according to Order 881/2012, the tangible assets were divided into two major groups: tangible fixed assets directly managed and real estate investments. Real estate investments are composed of fixed assets (buildings, land, equipment, furniture ...) given for rent.

Starting with 2019, once IFRS 16 is applied, the assets related to the right to use concession (leasing) have been classified separately in the tangible assets.
